KING AND QUEEN SPOTLIGHT

Debbie Reynolds and Kelly Moore are the Queen and King of the 2009 Moscow Renaissance Fair. They were selected to honor their years of service to the community.

Debbie is a Hospice volunteer and a member of the Moscow Planning and Zoning Commission. Kelly is a member of the Latah Economic Development Council. Both are long-time members of the board of the Moscow Civic Association.

Kelly is a contractor and designs and installs alternative energy systems. He helped establish the standards for Moscow's Certified Green Building Code requirements and built the first Certified Green house in the state of Idaho here in Moscow. Debbie is a bookkeeper for numerous local businesses. Debbie and Kelly

- 12:30 PALOUSE HIGHLAND PLAYERS
- 1:00 SPECTRUM DANCE
- 2:30 CONNOR AND RYLEE BRUCE, GUITAR HEROES

Hannah Crawford

POSTER CONTEST WINNERS

Promotional Poster (1st Place): Zane Graham

Zane started creating art at a very young age. Pirates were one of his favorite subjects. Having a dad teach art at the Moscow Junior High spurred him to think and live artistically. Zane has been going to the Renaissance Fair since before I can remember. He recalls, "Peter Basoa used to tease and play with me and my younger sister. With Peter recently passing away I found it fitting to incorporate Peter's red suit, the one he would sometimes wear to the fair, into the painting, passing a flower on to a child signifying renaissance in the new generation."

Program Cover Art (2nd Place): Laura Aichele, David Hall & Linda Rasmussen

Laura, David, Linda worked together to create a poster that would pay tribute to Peter Basoa for all of the work he has done for the Renaissance Fair. Linda Rasmussen has enjoyed the music, food and crafts of the Renaissance Fair since the mid 80's, sometimes having a crafts booth to sell her batiks. Laura, a long time friend and the perfecter of "Peter's Special" that became the headliner on the menu at the her restaurant, along with the famous Peter Basoa Apple Pie. David has gone to most or maybe all of the Renaissance Fairs since the beginning, around 1974. He enjoys the music, crafts, food, and festive mood of the Fair and has recorded a lot of it on film and in pixels.

ENCHANTED FOREST

Adventure Learning Camp

Saturday

9:00 Bird Identification
10:00 Water Color in Nature

Pizzas, Burritos: Unitarian Universalist Church of the Palouse

THE FAIR IS EVER GREEN!

One of the best things about the Moscow Renaissance Fair is that every piece of serviceware—from cups to utensils, plates to straws—is 100% compostable. Please take the time to put ALL unused food, beverage and serviceware in the compost bins. All other items can be recycled as appropriate. The Fair thanks you. The earth thanks you. Future generations will think of you with love and admiration. With your help, we can make the Moscow Renaissance Fair a completely waste-free celebration of spring. Thanks.

Since its beginning, the Moscow Renaissance Fair has been the only self-sustaining, non-profit festival of its kind in the region. The Fair is entirely funded by its dedicated artisans, the countless volunteer hours put in, and by the generosity of folks like you. A visit to the Information Booth would be a delight. This year's poster can be had for a suggested donation of \$1.00. We'd love to hear from you. All proceeds go to making next year's event even better! (In the works, some needed renovation to the newly named Peter Basoa Main Stage.) Thanks for your support!
